Number Of Questions:	Number of Questions

New Alien Arena

View Sessions

Instructions:
- Select a grade, class, and subject.
- Choose your topic. You can select up to 5 topics for each session.
- Choose to have 2,3, or 4 teams within your class.
- Choose the total number of questions. The number of questions allowed will be a multiple of the number of topics chosen.
- Choose a game and a rocket. All games and rockets are unlocked and available!
- The questions will be randomly picked by the system based on the selected topics

Game:

Rocket:

Select if Alien Arena session will be On Teacher Device or 1:1

Play Game: ◯ On Teacher Device   ⦿ On Student Device

All Alien Arena sessions are saved in library and can be played again or download reports
